Pianist Dr. Alexandria Le is passionate about the impact music makes in people's lives. A graduate (and inaugural Hall of Fame inductee) of the Las Vegas Academy of the Arts, Dr. Le won sixteen first prize awards before pursuing degrees from the Eastman School of Music and SUNY Stony Brook, where she received a Doctor of Musical Arts in piano performance. In 2016, Dr. Le returned to Las Vegas to found Notes with a Purpose, a nonprofit dedicated to investing in effective educational and societal enrichment through creative music programming. The programs have changed lives amongst the 12,000 fourth and fifth grade students across 56 elementary schools and 4,000 guests and residents at the Las Vegas Rescue Mission.
