

FY23 ARTS LEARNING EXPRESS GRANT

Supporting short-term teaching artist residencies

HOW THE PROGRAM WORKS

The Arts Learning Express Grant (ALX) from the Nevada Arts Council (NAC) is designed to support a short-term teaching artist residency (20 hours maximum). This grant is open to hosting organizations/public institutions and Nevada resident teaching artists/groups on the [Nevada Arts Council Teaching Artist Roster](#). To offer flexibility and expedite funding, ALX grants will be awarded on a first come, first-served basis for each cycle. Grant funds are limited, so early submission is encouraged.

ALX funds are divided into two six-month grant cycles:

CYCLE A: Activities July 1–December 31, 2022

CYCLE B: Activities January 1–June 30, 2023

Eligible applicants can receive up to two ALX grants per fiscal year. The Final Report for the first grant must be submitted prior to receiving funds for the second grant. To stay in compliance and remain eligible for future Nevada Arts Council grants, grantees must submit the Final Report online within 45 days of project completion or by June 30, 2023, whichever is first.

RESIDENCY REQUIREMENTS

- The residency must be an active hands-on educational experience in the arts or traditional cultural practices
- The shape and schedule of the activity is up to the sponsor/host and the artist. A residency may occur over one to three days; or be of longer duration, such as two hours a week for six weeks, etc.
- This grant does not support private lessons, concerts, assembly programs, or lectures. Supplementary activities such as readings, lecture-demonstrations and performances may accompany the educational activities but cannot be more than 20% of the residency
- The residency must be planned collaboratively between the artist(s) and appropriate teacher(s) and/or community representative(s)
- A teacher or adult representative of the sponsoring organization must be present at all times during the program and if the artist is working with a large group of Pre-K through 12th grade students, the adult-student ratio must be appropriate to the activity

GRANT AMOUNT: Up to \$1,500 to support artist fees (no match required)

In some cases, an artist may charge more than the grant will support. It is the sponsor's responsibility to ensure that the artist receives full payment. Grant funds will be disbursed as an advance payment upon receipt of the signed terms and conditions.
