

FY24 ARTS LEARNING PROJECT GRANT

Supporting Arts Learning Activities for Pre-K – 12 and Lifelong Learning

HOW THE PROGRAM WORKS

The Fiscal Year 2024 (FY24) Arts Learning Project Grant (ALP) is a grant designed to support arts learning activities, teaching artists residencies, and teacher/teaching artists training. These arts learning activities provide unique opportunities for students and people of all ages to work with practicing artists. Funds must be used for conducting lessons/workshops (in-person or online/virtual) and/or educational performances at schools or community facilities. Funds may be used to support the execution of one activity/project or a series of related activities. Some components of the project, including planning, may occur outside of the FY24 grant cycle (July 1, 2023-June 30, 2024), however the portion(s) of the project being paid for with ALP grant funds must occur completely within the grant cycle.

To stay in compliance and be eligible for future Nevada Arts Council grants, grantees must submit the Final Report online within 45 days of project completion or by June 30, 2023, whichever is first.

- Individual schools and libraries within the same district/system may apply independently as long as they have their own budget and facility.

GRANT AMOUNT: Up to \$7,000 (1:1 cash and/or in-kind match required)

Grant funds may only be used for the following:

- Teaching artist fees
- Production artist fees (including directors, videographers, costume designers, lighting designers, etc.)
- Materials/supplies
- Facility rental fees
- Equipment relevant to project - up to \$1,000 (including video cameras, microphones, software, video communication subscriptions, etc.)

In addition to the General Funding Restrictions in the current [GRANT POLICIES](#), ALP funds may not be used for general operating support, private lessons, classes for college credit, or staff/teacher salaries (in a school setting, this grant is meant to enrich and support ongoing arts education, not to supplant or substitute services more appropriately provided by educators trained in the arts or otherwise).

Grant funds will be disbursed as an advance payment upon receipt of the signed terms and conditions. **Documentation of the use of grant funds must be provided in the Final Report and must match the proposed expenses.**

PROJECT REQUIREMENTS

3. Arts for Social Development: The use of the arts as tools to promote social development and/or cultural competency, for example, programs that improve social outcomes for at-risk teens, promote health and healing, expose social justice issues; or explore tradition and culture to build cross-cultural understanding, dispel stereotypes, and celebrate difference.
