GRANTS

The Grant Program reflects a significant commitment by the State of Nevada and the Federal Government to **support the creation of art and access to the arts for its citizens.**

Nevada Arts Council grants support the efforts of **nonprofit** and **community organizations, public institutions** and **individual artists** to make cultural activities and experiences widely available to both those who live in and those that visit Nevada.

NEVADA ARTS COUNCIL – 2022 2023 BIENNIUM TOTAL BY FUNDING SOURCE

● Tourism Transfers ● General Funding ● Federal Funding ● Other

FY22 – \$2.9M FY23 – \$3.07M

Types of Applicants

1. Individuals
2. Non-Profit Organizations
(arts and non-arts)
3. Government Agencies /
Public Institutions

INDIVIDUALS

- Must be at least 21 years old
- Must be a current Nevada resident and have been in residence for at least one year prior to the date the grant application is submitted
- Must be a U.S. citizen or have legal permanent resident status
- Must not be enrolled as a degree-seeking student
- Current Nevada Arts Council staff members, board members, and immediate family members or individuals sharing the household of current staff or board members are not eligible for Nevada Arts Council grants.

NON-PROFIT ORGANIZATIONS

- Must have federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code (Fiscal Agents are not accepted in FY22)
- Must have active incorporation status with the Nevada Secretary of State showing evidence of good standing at the time of application.
- Must have a UEI number (replacing DUNS number)*
- Organizations located in states that border Nevada may apply for a grant if they are incorporated in Nevada with 501(c)(3) tax-exempt status. However, the application must clearly demonstrate that the majority of the proposed project (at least 75%) serves Nevada communities, and all awarded grant funds must be used to support Nevada communities

PUBLIC INSTITUTIONS

- **GOVERNMENT AGENCIES** (including federally recognized tribes): Agencies that exist within the same governmental entity are eligible to apply independently when they have different/distinct mission statements and their own separate advisory boards. Multiple departments/facilities within one agency may not apply independently; each agency must collectively determine the projects for which to request funding
- **COLLEGES/UNIVERSITIES:** Limited to no more than one grant to the same academic department per fiscal year. Projects must serve a broad community outside the institution and generate area-wide arts involvement. Grants may not support the institution's internal programs
- **PUBLIC SCHOOLS/LIBRARIES:** Individual schools and libraries within the same district/system may apply independently as long as they have their own budget and facility
- Must have a UEI number (replacing DUNS number)*

The federal government is transitioning from using DUNS numbers to using the UEI (Unique Entity ID) from SAM.GOV as a unique entity identifier for organizations and public institutions (not required for individuals). This will affect all organizations and public institutions who apply for Nevada Arts Council grants. **You must address this transition and get your SAM UEI immediately and before you apply for your next grant.**

The SAM UEI is a unique 12-character identifier (a combination of letters and numbers) assigned to all entities (public and private companies, individuals, institutions, or organizations) that are required to register to do business with the federal government. The SAM UEI is issued **at no cost** through the federal System for Award Management website (SAM.gov).

There are three categories that organizations are currently in:

1. Your entity has a DUNS Number and is registered in SAM.gov

If you have an active or inactive registration in SAM.gov today, you've already been assigned a Unique Entity ID (SAM). It's viewable on your entity registration record in SAM.gov.

2. Your entity has a DUNS Number and is not registered in SAM.gov

If you currently have a DUNS Number, only need to get a Unique Entity ID (SAM), and do not want to complete a full entity registration in SAM.gov, follow steps here to get a Unique Entity ID (SAM): <https://www.nvartscouncil.org/wp-content/uploads/Quick-Start-Guide-for-Getting-a-Unique-Entity-ID.pdf>

3. Your entity does not have a DUNS Number and today's date is before April 4, 2022

Before April 4, 2022, the DUNS Number issued by Dun & Bradstreet is the authoritative entity identifier used by the federal government. You need to get a DUNS Number first before you can request a Unique Entity ID (SAM). Go to fedgov.dnb.com/webform to request a free DUNS Number. It can take 1-2 business days before your DUNS Number is issued. When you are assigned your DUNS Number, return to SAM.gov and follow the steps in #2.

REMINDER: It is always free to get a new SAM UEI and use the Grants.gov platform. We are getting reports of scammers offering to "help" organizations get SAM UEIs for a hefty cost--please delete and ignore these emails.

GRANTEE REQUIREMENTS

- **SIGN TERMS AND CONDITIONS:** Terms and Conditions document must be signed within 30 days of the Grant Award Packet
- **REGISTER FOR VENDOR NUMBER:** Per NV state law, a State of NV Vendor Number is required to receive grant funds from the Nevada Arts Council, and all grant payments must be made via direct deposit

- **ACKNOWLEDGE GRANT SUPPORT** by posting NAC and NEA logos on grantee websites (if applicable) and in all applicable grantee publicity and printed materials

Panel Review

- Reviewed and evaluated in an impartial environment by panels of in-state and out-of-state arts specialists, artists, and educators
- Panelists score grant applications and make funding recommendations to the NAC Board
- After panel meetings, the NAC Board convenes in a public meeting to discuss the grant panel review and to vote on final grant allocations
- Not all applications are funded, & grant awards may vary from requested amounts.

Internal Review

- Staff reviews applications for eligibility, completeness, and adherence to the program requirements.
- Applications that meet all eligibility and program requirements are awarded in the order in which they are received while funds remain available.
