

Now Reno is Home

Kendall Nolan

Occasional visits
Escapes from the chaos
Metal hitting metal
A circus, a crawl
Yard long cocktails
Endless desert roads
Buckets of Blood

The stars aligned
Now Reno is home
Escaped the chaos
Once and for all
Living in your embrace
A piece on my hip
Mountains of Ruby
Others of Rose
My truck's bigger than yours
A town of Art
A festival of water
A walk of wine
Hidden valleys
Quads on the hills
Camels in the dust
Forgotten history
Forests of peace
First people, new people
Miners and cowboys
Horses stop traffic
And Bears in my trash
Now Reno is home
