

Postcards from the Great Basin

Noah Dawson

I.

Mountains, hills, rocks
Sections of forests
Rocks of all sorts all around
Granite, metamorphic rocks
Dust, dirt, sediments
Rusty red, dusty pinks, shades of brown.

II.

Trees, wildflowers, other foliage
In spring, summer, part of fall
Pine tree scents.

III.

Extreme weather
Cold and snow in winter
Warm and sunny in summer
Last glacier in Nevada
Slowly shrinking.

IV.

Hearing natural sounds
Rustling winds
Rush of water down the stream
Wildlife moving around.

V.

Animals of all sorts
Rustling through foliage
Splashing through water
Soaring through the air
